

Plug n Comply™ Products and Features

Jatheon has designed and developed Plug n Comply™, a family of appliance based email and message archiving solutions for companies seeking full regulatory compliance, internal policy management, storage space management, and eDiscovery functionality. Jatheon offers an all-in-one comprehensive, cost effective, and easy to deploy archiving appliance. It requires minimal IT support, offering simple management of corporate messaging data and related policy implementation.

With the Jatheon Plug n Comply™ Appliance, companies are provided with a turnkey solution to establish and enforce policies and compliance processes to meet Sarbanes-Oxley, SEC, NASD, Federal Rules of Civil Procedure, and other regulatory and corporate governance requirements.
